A MESSAGE FROM THE EXECUTIVE DIRECTOR

CREDAWA

We invite you to be a sponsor of CREDA Washington State in 2027.

This year, we celebrated 50 years as a chapter, and next year is set to build on our success. Your sponsorship investment provides substantial benefits to your company and the people who work for it. Sponsorship in CREDA Washington State provides ongoing value through personal and business relationships that can last a lifetime.

CREDAWA is the premier association representing commercial real estate in Washington. Over 1,100 CRE professionals and 400+ of the top firms in our state are part of the powerful CREDA network.

Our top priorities remain providing sponsors and members with education, networking and a strong, unified voice on critical legislation and public policy issues. With your support, we have accomplished much so far in 2026.

2026 Accomplishments

- Over 4,400 CRE professionals attended our programs and events
- More than 1,000 attendees at our 32nd annual black tie gala, Night of the Stars, which serves as a fitting end of year celebration for the accomplishments in dealmaking and development over the past year
- Sold-out Economic Forecast event in January featuring economist Matthew Gardner, Travis Hale (Panattoni), Tyler Litzenberger (Vector Development), Ben Seeger (Dermody Properties), Wilma Warshak (Washington Real Estate Advisors), and NW Seaport Alliance CEO John Wolfe
- A completely sold-out Summer Social Golf Tournament at the Golf Club at Newcastle, featuring the most sponsors we've ever had at the tournament, 300+ golfers, and an exciting "Rockin' Through the Decades" theme
- 22,000+ views on state legislative session updates, and nearly 8,000 views on weekly local advocacy updates throughout the year
- Commissioned illustrative research about the economic impacts of industrial real estate development in Washington, which has garnered 5,000+ website views, earned media, and nationwide recognition
- Had our largest summer intern class to date, with over 40 young professionals gaining valuable training on industry fundamentals and the value of associations like CREDA
- More than 300+ campers served by the revitalization of the Girl Scouts of Western Washington's Camp River Ranch, CREDAWA's 2026 Community Enhancement project
- Over $10,000 raised for student engagement initiatives through CREDA Washington State Foundation, which directly supports student memberships and two CRE certificate scholarships through the University of Washington
- Launch of a new mobile app and technology integration, enhancing the member experience and providing branded sponsor recognition on high-value landing pages
- Expansion to the Spokane market with the launch of the Inland Northwest committee, bringing programming and visibility to firms and professionals doing business on the east side of the state

We are excited about these successes and the great work we will continue to do for our members and community. CREDAWA is the premier association for commercial real estate advocacy, networking, and business development in our market, and I am so thankful for your company's continued involvement in our chapter. We hope to earn your support again in 2027.

Don't hesitate to contact our team with questions.

All the best,

NETWORKING

MEMBERSHIP

Featuring unique, high-value events for members each spring and fall, membership networking sponsorship offers visibility in front of top companies in the market. Whether it's a wine tasting, chapter outing, or informal rooftop networking event with stunning views of Puget Sound, this programming offers lively conversation and connection.

SOUTH SOUND

With five events each year, CREDAWA's South Sound programming serves professionals in South King, Lewis, Thurston, and Pierce counties. Events range from intimate property tours in downtown Tacoma to 350+ attendee Economic Forecasts. A valuable sponsor placement for companies doing business in and around Tacoma or even as south as Portland.

INLAND NORTHWEST

The newest programmatic offering in CREDAWA's lineup, Inland Northwest expands our chapter's premier networking and education to Spokane and the surrounding markets. FOUNDATION

COMMUNITY ENHANCEMENT

Founded in 1990, CREDAWA's Community Enhancement initiative revitalizes local projects in our region. Each year, a deserving non-profit receives much-needed upgrades to aging infrastructure. With 200-300 volunteers of all ages participating, this sponsorship opportunity provides visibility while also supporting a worthy cause.

DIVERSITY EQUITY & INCLUSION

CREDAWA's Diversity, Equity & Inclusion programming promotes a more welcoming CRE industry by supporting knowledge sharing and peer to peer networking. Through its Summer Intern Program and CRE Certificate Scholarship, DEI works to build a pipeline of future leaders in the industry, especially from underrepresented backgrounds.

Our sponsors say:

"What keeps us sponsoring CREDA Washington year after year is really ***the people****. It's an incredibly* ***diverse group of leaders*** *from across the development community who are willing to share their experience, learn from one another, and work together to make our industry and our communities better. CREDA has* ***broadened my horizons*** *as a business owner and structural engineer, while* ***giving me a meaningful way to contribute our insight and expertise back to the community****. We value the* ***relationships we've built*** *there and are proud to continue supporting the organization."*

ADVOCACY

ISSUES FUNDING

Supporting Government Affairs Issues Funding directly bolster's CREDAWA's effectiveness in advocating for commercial real estate during the legislative session in Olympia as well as year-round in local jurisdictions as issues arise. Contributions also allow us to commission important research, sign on to amicus briefs related to consequential legal matters affecting CRE, and maintain an effective and nimble political ground game wherever decisions are made regarding our industry. Funders receive exclusive communications and opportunities to participate in closed-door committee meetings with the region's top development firms.

POLITICAL ACTION COMMITTEE

Donations to the CREDA Washington State Political Action Committee (PAC) allow us to support candidates on both sides of aisle in service of building a business-friendly landscape in the state each election season. These donations are especially critical from June - October each year. While any amount donated helps, most companies contribute $2,500 - $10,000. Commercial real estate has seen firsthand the power of elections in shaping policy in our region – especially policy that affects your and your company's bottom line – and we encourage any company able to do so to donate to the PAC.

Our sponsors say:

*"The work of Government Affairs **impacts every single member,** regardless of sector. Our industry is facing one of its greatest challenges—the critical need for more housing supply. Thanks to the dedication and expertise of CREDA Washington State's team, real progress is being made. **That work matters**, not just to our members, but to communities across the country."*
